“Ducks lay eggs discreetly, on the other hand a chicken makes noise so the whole estate can hear.” What is the result? “The whole world eats chicken eggs, just few use duck eggs.”

Henry Ford

Customers about comm.in

„At this stage I would like to take the opportunity to thank the comm.in team for the excellent job they have done in organizing our 40th company anniversary in Austria. Our high expectations for the three day lasting event were completely met. Gala dinner, Sightseeing-programme, support service for our VIPs or the handling of accomodation matters, everything went like clockwork. We`ll definitely recommend your services to others.

Mag. Alexander Hembach, Manager, STIHL Austria GmbH

„Innovative ideas combined with professional organisation down to the smallest of details. We thank comm.in for the unforgettable event which exceeded our expectations by far.“

Ivan Jovanovic, Lafarge CTEC

„Their Work is characterised by high professionalism and flexibility. We have been trusting comm.in for six years now and were able to achieve essential milestones in our outward communication.“

Irmgard Proisinger, Head of Marketing, Trenkwalder

"comm.in has been our partner for product-PR. Their creative texting skills as well as their refreshing graphic redesign of our sales folder, together with many sparkling new ideas in the conceptional campaigning area, have fully convinced us.“
